

THE SACRAMENTO VALLEY SYMPHONIC BAND ASSOCIATION

***COMMUNITY BAND FESTIVAL at Carmichael Park***  
*Saturday and Sunday, June 4th and 5th, 2022*

Dear Director/Band Manager:

Here is information and the application for the 2022 Community Band Festival at Carmichael Park.

Please have applications postmarked or e-mailed by April 1, 2022. I schedule time slots based on the order the applications are received. SVSBA members get priority for time slots, but only until **December 1st**. I look at the order applications are received when building the schedule. Please remember also that I need to mix up the festival some each year to keep the two days balanced and to keep bands that share members from having time slots next to each other so that musicians are not rushing through photographs and changing shirts. Bands that are on Saturday one year will likely be on Sunday the following year and vice versa. **Be certain to list any band that you share members with.**

Steps to enter the festival

1. Fill out the application completely.
2. If sending a check you MUST mail it to:

**Band Festival**  
**Dorothy Frueh**  
**4507 Northampton Drive**  
**Carmichael, CA 95608-1533**

If SVSBA does your banking you can check the payment box and either mail the application OR scan it and e-mail it to both [froofrill@gmail.com](mailto:froofrill@gmail.com) AND [grantaparker@att.net](mailto:grantaparker@att.net)

3. E-mail your band bio and program to Grant Parker and Mark Perry ([mark@chlgr.com](mailto:mark@chlgr.com)) by May 1<sup>st</sup>. Remember to schedule about 35 minutes worth of music for the 45 minute slot. We actually run on time because you do such a good job each year on this!

Equipment:

We provide: P.A., 4 Tympani, Bass Drum, Concert Bells, Chimes, Xylophone, music stands, podium and chairs. You need to bring everything else (mallets, snare drum, drum set, music, clothes pins, etc.) If you need a gong, vibes or marimba please let me know by May 1<sup>st</sup> and I can arrange to bring them. We will NOT provide a drum set

If you have questions be certain to contact me: Grant Parker (916)204-0990 [grantaparker@att.net](mailto:grantaparker@att.net)

We look forward to hearing your group again this year!
